

Everything you need to meet better.

Professional. Dependable. Simple. See why millions trust GoToMeeting.

GoToMeeting makes it easy to connect with people any way you want – no matter the device, no matter the location. Just share your screen, show your video and get more done.

GoToMeeting is truly simple and reliable:

Ease of Use

GoToMeeting scores higher than competitors on ease of navigating, attending and starting a meeting.

Instant Join

You can meet incredibly fast. GoToMeeting offers in-browser, no-download meetings.

Free Support

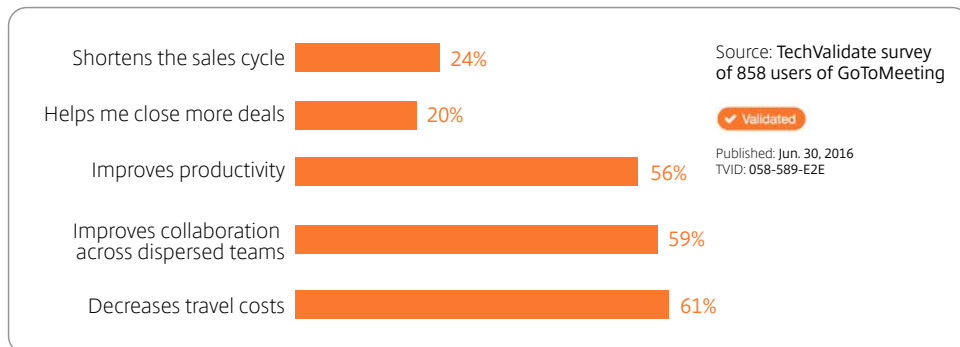

You shouldn't have to pay more for support. If you have a question, you can call us anytime.

High Quality

Our audio quality ranks 11% better than the average on competitive benchmarks.

Active Directory

Our recent AD integration makes GoToMeeting Plus even more suitable for large organizations.

See the difference for yourself. Try **GoToMeeting free** and experience a better way to meet.

Our customers love GoToMeeting

"GoToMeeting is my 'easy' button for efficiency and effectiveness. I can set up meetings quickly whenever and wherever I am."

Sales Vice President
 Small Business Health Care Company

"We have shortened our close time by almost a full two weeks because of better communication and faster, more efficient sales presentations."

Sales Director
 Medium Enterprise Computer Software Company
